

Civil Engineer II

The Village of Mahomet, Illinois (pop. 7,955), is seeking a highly motivated individual to fill the position of Civil Engineer II. This position will be responsible for the design and construction of the village's infrastructure improvement programs, development of contract documents, construction observation, subdivision review, and providing information to the public, village departments and consultants. Infrastructure includes streets, subdivisions, water network, sanitary sewer system, stormwater management, park systems, and other capital improvements.

Qualifications

This candidate should have a record of significant accomplishment in a growing community with a commitment to excellence. The position is responsible for overseeing all engineering activities for the village, including municipal infrastructure projects within the transportation and water/wastewater departments along with engineering for the planning and development departments. Requires experience in project management, surveying, design, and construction of public works related projects. Knowledge of computers and working with Microsoft Office products, CAD and GIS systems is also required. Must have strong interpersonal, written, and oral communication skills. Experience working with IDOT funded projects (direct or project related) and subdivision design and review is strongly desired. The position will work under the supervision of the Village Administrator.

Requires 5-10 years of progressively responsible experience. The successful candidate will be able to effectively communicate and work both independently and collaboratively in a dynamic fast paced environment with fellow employees, supervisors, elected officials, and the public-at-large. Graduation from a four-year accredited college or university with a Bachelor of Science degree in civil engineering, or other closely related engineering field is required. Registration as a Professional Engineer in the State of Illinois is required.

Our Community

Located in central Illinois, Mahomet is a picturesque community characterized by a historic downtown, established neighborhoods and within 10 miles of the University of Illinois. We are a community that values education, recreation, quality development and community involvement.

Salary Range

The salary range for this position is \$59,737 to \$74,755, based on qualifications plus an excellent benefit package.

How to Apply

Please send cover letter, resume, salary history and minimum of five work-related professional references by July 31, 2015:

Village of Mahomet, Jeanne Schacht, HR Director. PO Box 259, Mahomet, IL 61853 or email to jschacht@mahomet-il.gov.
